Equate Fresh Scent Flushable Wipes are soft, fresh-scented wet wipes that provide a gentle, effective clean for your skin. Traditional wet wipes are made from coarse fabrics that do not break down in water, which can potentially cause expensive damage to your septic system. Our wet wipes easily break apart after flushing, reducing the chance for blockages in waste management systems. An excellent choice for sensitive skin, these wet wipes are hypoallergenic and free of alcohol and parabens. They're also infused with vitamin E and soothing aloe extract, perfect for an ultra-moisturizing clean. These flushable wipes are great for any time you need a quick cleanup. The easy-to-use, reusable peeling pack allows for easy access and allows for easy access whenever you need them. Wet wipes are better than dry tissue alone. Feel confident and refreshingly clean with Equate Fresh Scent Flushable Wipes.

Equate Fresh Scent Flushable Wipes are soft, fresh-scented wet wipes that provide a gentle, effective clean for your skin. Traditional wet wipes are made from coarse fabrics that do not break down in water, which can potentially cause expensive damage to your septic system. Our wet wipes easily break apart after flushing, reducing the chance for blockages in waste management systems. An excellent choice for sensitive skin, these wet wipes are hypoallergenic and free of alcohol and parabens. They're also infused with vitamin E and soothing aloe extract, perfect for an ultra-moisturizing clean. These flushable wipes are great for any time you need a quick cleanup. This value pack contains five packages with 48 wipes each - totaling 240 wipes. The easy-to-use, resealable peeling packs ensure the wipes stay moist and allow for easy access whenever you need them. Wet wipes are better than dry tissue alone. Feel confident and refreshingly clean with Equate Fresh Scent Flushable Wipes.
